

# Sulphur World Symposium 2017

April 24 – 26, 2017 | Dublin, Ireland

## **Prospects for Sulphur Transportation Costs: Is the dry bulk freight market about to pounce?**

**Marc Pauchet, Maersk Broker**

This presentation will provide a look at where sulfur lies in the global dry bulk freight market and the demand outlook. A profile for dry bulk vessel supply will be given with an emphasis on smaller ships. New regulations impacting the industry scheduled for implementation will be highlighted.
