## The Sulphur Institute Announces Four New Members

WASHINGTON, DC, July 22, 2015 – The Sulphur Institute (TSI) announced the acceptance of four new companies to its membership. “Several of the organizations joined TSI under our newest membership categories; open to all consultants, publishers, non-profits and equipment suppliers; reflecting TSI’s ability to serve entire sulphur industry,” reported Robert McBride, TSI president and CEO.

TSI membership now includes: Argus Media, an independent media organization headquartered in London; Integer Research Ltd., a specialist provider of research, data, analysis and consultancy services; Yargus Manufacturing, Inc., a fertilizer/material handling equipment design and installation company; and Engineered Sulfur Laboratories Inc., a provider of modified sulphur binders to industrial markets involving asphalt, cement, and coatings.

Founded in 1960, TSI represents all stakeholders actively engaged in producing, buying, selling, handling, transporting, or adding value to sulphur on a global basis. For more information about TSI membership, programs and contributions to the industry, contact Donald Messick, The Sulphur Institute, 1020 19<sup>th</sup> Street NW, Suite 520, Washington, DC 20036, USA.
