AFEPASA joins The Sulphur Institute

WASHINGTON DC, January 26, 2021 – The Sulphur Institute (TSI) announced today that AFEPASA, SAU from Constanti, Spain has become members. Founded in 1893 as Azufrera y Fertilizantes Pallarés Sulphur, the company forms, handles, toll-manufactures, transforms, and packages sulphur-based products in different varieties, 80% of which is used in agricultural applications. AFEPASA is committed to research, development and innovation focusing on meeting customer needs with exclusive products for the agricultural and industrial sectors. AFEPASA is a European leader of agricultural sulphur products with a focus on constant growth and a commitment to quality assurance. With the motto: *Achieving Customer Satisfaction*, more about AFEPASA can be found [here](#).

“We are excited to welcome AFEPASA to the membership of TSI. They are industry leaders for manufacturing of sulphur enhanced fertilizers in the European market and their vision aligns well with that of TSI,” said Craig Jorgenson, Senior Vice President of TSI.

////////

Founded in 1960, TSI represents all stakeholders actively engaged in producing, buying, selling, handling, transporting, or adding value to sulphur and sulphuric acid. For more information about TSI membership, programs and contributions to the industry, contact Craig Jorgenson, The Sulphur Institute, 1020 19th Street NW, Suite 895, Washington, DC 20036, USA. Telephone: +1 202 296 2794; E-mail: cjorgenson@sulphurinstitute.org; Website: www.sulphurinstitute.org.

-END-

Important Style Note to Editors: *Sulfur is the preferred spelling in the United States, but the formal name of The Sulphur Institute is spelled with a “ph.”*
