## International Raw Materials Joins TSI

WASHINGTON, DC, May 29, 2012 – The Sulphur Institute recently welcomed International Raw Materials LTD (IRM) of Philadelphia, Pennsylvania, USA as a new member to its organization. Catherine Randazzo, TSI president and CEO, remarked, “The addition of IRM reaffirms TSI’s attention to the global sulphur industry. IRM provides raw material sulphur in various parts of the world and sulphur-containing fertilizers elsewhere. We heartily welcome IRM to TSI.”

International Raw Materials President W.P. (Tip) O’Neill remarked, “As we are expanding our interest in sulphur, we welcome TSI’s service to the sulphur industry as well.” International Raw Materials markets and distributes fertilizers and related services for many North American, Pacific Rim, African and European producers through its global network of distribution assets.

Founded in 1960, TSI represents all stakeholders actively engaged in producing, buying, selling, handling, transporting, or adding value to sulphur on a global basis.
