

Meena Chauhan
Argus Media

Meena Chauhan is the head of sulphur and sulphuric acid research at Argus Media. She has over eleven years' experience in the sulphur and sulphuric acid markets. In addition to leading single-client studies for the company, she manages several publications, including the Sulphur Market Dynamics Service and the Sulphuric Acid Market Service. Meena has experience running sulphur workshops and seminars covering supply, demand, trade and pricing in her previous roles in the sulphur industry and also as a sulphur price reporter. She regularly gives papers at industry events, including the European Sulphuric Acid Association (ESA), SOGAT, IFA PIT and TFI.
