

Join us for Sulphur World Symposium 2019 – TSI’s annual conference for sulphur and sulphuric acid industries that attracts industry leaders from over 25 countries. This year’s lineup includes highly-regarded speakers and networking events in the great city of Prague, Czech Republic. The symposium also features an in-depth look at the Central Asian States.

Registered delegates have access to a list of their fellow delegates which includes names and approved contact information. For assistance please contact SAmirie@sulphurinstitute.org. To register and for further information visit: www.sulphurinstitute.org/symposium19
